PERSONAL TRAINING TERMS

Parent reference | Prepared 3 November 2026

1. Cancellation and rescheduling

Please inform Maxxima Admin at least **48 hours before training** if you need to cancel or reschedule. Changes must be confirmed by Admin. Replacement sessions depend on coach and court availability.

2. Less than 48 hours / no-show

The booked court fee is forfeited and **50% of the coaching fee is charged**. Any remaining coaching credit and replacement arrangement must be confirmed by Admin.

3. Illness or emergency

Inform Admin as soon as possible and provide supporting proof, such as a medical certificate. For an approved illness/emergency case, **only the booked court fee is forfeited**; no coaching deduction applies. The affected coaching session may be rescheduled, subject to availability.

4. Carry-forward and replacement

Any approved coaching credit, carry-forward amount and replacement date will be confirmed by Admin. The same day, time, coach or venue cannot be guaranteed. Do not assume an automatic replacement without confirmation.

5. Two-to-one arrangements

Training fees are billed per student. Shared court charges are stated separately on the invoice. Please discuss either player's absence or any requested change of training format with Admin. Admin must confirm any revised arrangement and fee.

6. Communication and punctuality

Send cancellation, illness and rescheduling requests directly to Maxxima Admin, even if the coach has also been informed. Please arrive on time and notify Admin promptly if delayed.

7. Health and equipment

Tell Admin about any health condition or injury affecting safe participation. Students should bring suitable non-marking badminton shoes, a racket and drinking water.
