CLEAR EXPECTATIONS. BETTER TRAINING.

Terms & conditions.

Know how bookings, cancellations and your training pass work before your next session.

Foundation Group Training Website version · 21 October 2026

Booking & advance-payment terms · Group & personal

Check every requested session

Check the student names, programme, location, coach preference, dates and times before submitting. For a family request, this agreement covers every student and session shown in the confirmation.
Submitting a form is a request for Admin review. A request reference, an issued invoice or a payment screenshot alone does not mean that a slot is secured. Admin reviews the training arrangements and issues the invoice before payment.

Payment before training and slot confirmation

This advance-payment requirement applies to group and personal training, including walk-in or per-session bookings and monthly packages.
For a walk-in or per-session booking, the full invoiced fee for that session must be paid and confirmed before the session begins.
For a monthly booking or package, the full invoiced monthly or package fee must be paid and confirmed before its first session.
An approved slot is secured only after the full applicable payment has been received and verified by Maxxima. Partial or unverified payment does not secure the slot. An issued invoice is not a paid booking confirmation.
Wait for the invoice and use its payment instructions. Personal training fees and any monthly arrangement are quoted by Admin before payment. The final invoice states the agreed training fee and any agreed court, registration, jersey or additional charges. Do not attend an unpaid session; contact Admin if payment has not yet been confirmed.

Programme-specific terms and privacy

Foundation Group Training also follows the full Foundation policy linked below, including pass validity, the 48-hour cancellation rule, replacement sessions and refunds. This advance-payment requirement supplements that policy for new requests.
Performance, Elite and personal training fees, validity, cancellation and rescheduling arrangements are confirmed separately by Admin. The Foundation cancellation rules are not automatically applied to those programmes.
Maxxima records the parent or contact name, agreement version and server acceptance time with each submitted booking or pass.
Booking agreement does not grant photo or video marketing permission.

Choose the policy that applies to your booking

The full terms below apply to **Foundation Group Training**. Read them for pass validity, cancellations, replacement sessions, refunds and training arrangements. Prices for available passes are shown in the booking form for your selected location.

Performance, Elite and personal training: Admin confirms your programme's fee, validity and cancellation arrangements separately before payment. Foundation cancellation terms are not automatically applied to these programmes.

An online submission is **Pending Review**. Wait for Admin to review your dates and issue the invoice before paying. Read the booking and privacy information ↗

AT A GLANCE

Foundation essentials

31 days

Four-session pass, including your first training date. Your pass shows the exact expiry.

48 hours

Contact Admin in advance to cancel or reschedule a confirmed session.

Emergency?

Inform Admin promptly, provide supporting evidence, and await Management review.

Maxxima cancels

Your session is not deducted. An alternative arrangement or credit is provided.

Late cancellations and no-shows normally count as used sessions. This summary should be read with the full terms below.

FOUNDATION GROUP TRAINING

The full policy

01 Programme & training package

Foundation Group Training sessions are approximately two hours per session. The four-session pass is valid for 31 calendar days, counting the first training date as day one. The eight-session pass is valid for 62 days. Where offered by Admin, 24-session and 40-session packages are valid for 180 and 365 days respectively. Existing purchased passes retain their recorded expiry.

Available passes and prices are shown for the selected location in the booking form and confirmed on the invoice. All sessions must be used within the stated validity period. Unused sessions after expiry will be forfeited unless an exception is approved by Management under these terms.

02 Advance booking & eligibility

All sessions must be booked in advance through Maxxima's designated booking system or through Maxxima Admin where applicable. Booking is subject to an active package, sufficient session credit, available training capacity, court availability and operational requirements.

A booking request or enquiry does not automatically secure a place. A student on a waiting list is not considered confirmed until a slot is formally confirmed. Maxxima may decline or hold a booking where a package has expired, no session credit remains, or payment is outstanding.

03 Official booking confirmation

A booking is considered confirmed when it is confirmed through the designated booking system, confirmed directly by Maxxima Admin, or when the student's name appears on the official participant list issued or updated by Admin in the designated WhatsApp Group.

Parents or guardians are responsible for checking the confirmed student name, date, time and venue. Report discrepancies to Admin as soon as possible. Once a booking is confirmed, the 48-hour cancellation and rescheduling policy applies. Removing a name from a WhatsApp participant list, or informing a coach only, does not by itself qualify as a valid cancellation. Administrative cancellation and rescheduling requests should be communicated to Maxxima Admin.

04 Cancellation — minimum 48 hours' notice

Cancellation must be made at least 48 hours before the scheduled starting time. Where valid notice is provided, the session will not be deducted and the student may book another available session within the applicable validity and replacement rules.

For example, a Sunday 9:00 AM session must be cancelled by Friday 9:00 AM. Contact Maxxima Admin to make the request.

05 Rescheduling

Changing a confirmed booking to another date or time is treated as a reschedule and is subject to the same 48-hour notice requirement. Rescheduling is subject to available slots, court capacity, coach availability and the student's package or replacement validity. The same coach, court, day or time cannot be guaranteed.

06 Late cancellation — less than 48 hours

A cancellation or rescheduling request made less than 48 hours before the scheduled start time will normally be treated as a used session and deducted from the package.

This includes non-emergency reasons such as personal plans, family outings, school activities, transportation arrangements, holidays, travel or other scheduling conflicts.

07 Genuine last-minute emergency

Genuine unforeseen emergencies may include sudden illness or injury, a medical emergency, hospitalisation, a death or serious emergency involving an immediate family member, or another genuine circumstance beyond the parent's or student's reasonable control.

Inform Maxxima Admin as soon as reasonably possible and provide reasonable supporting documentation, such as an MC, clinic or hospital document, or other relevant evidence. Supporting proof should normally be submitted within 48 hours after the missed session, unless the emergency reasonably prevents this.

Submission of proof does not automatically guarantee approval. Each case is subject to Management review and discretion. Repeated last-minute emergency cancellation requests may be reviewed individually to prevent misuse of the exception.

08 Approved emergency & replacement credit

Where an emergency exception is approved, Maxxima may restore the session or issue a replacement credit. An approved emergency replacement should normally be used within 30 days from the original training date, subject to available slots. This emergency replacement period may apply even where the original package is close to expiry, unless Management specifies otherwise.

Replacement credits are non-transferable, cannot be exchanged for cash and do not guarantee a particular coach, court, date or time.

09 No-show

A student who does not attend a confirmed session without prior notification will be treated as a no-show. The session will be considered completed and deducted from the package. A no-show will not normally qualify for replacement, except for a genuine emergency supported by reasonable documentation and approved by Management.

10 Late arrival

Students are encouraged to arrive 10–15 minutes before training. A late student may join where appropriate, but the session will end at the original scheduled finishing time. Training time will not be extended and late arrival does not qualify for replacement time or credit.

11 Cancellation or changes by Maxxima

If Maxxima cancels a session due to coach unavailability, court or venue issues, or operational reasons, the affected session will not be deducted. Maxxima will provide an alternative session, replacement arrangement or appropriate credit where applicable.

Where training is affected by circumstances beyond reasonable control — such as severe weather, flooding, power failure, emergency venue closure, safety concerns or authority directions — Maxxima will make a reasonable operational decision and communicate the available arrangement as soon as practicable.

12 Coach assignment & changes

Booking a particular session does not guarantee a specific coach. Maxxima reserves the right to assign, rotate or replace coaches according to programme and operational requirements. A coach change does not constitute cancellation of the session and does not waive the 48-hour cancellation policy.

Assigned coaches are expected to follow the Maxxima coaching system, programme structure and development standards to support consistency in student progression.

13 Grouping, court allocation & capacity

Foundation is a group training programme. Students may be grouped or rotated according to age, playing level, development needs, training objectives and attendance numbers. Maxxima generally targets approximately up to six students per court, subject to programme structure, player grouping and reasonable operational adjustments.

Maxxima may adjust court allocation, player rotation or group arrangements where required to maintain training quality and safe court usage.

14 Package validity, renewal & expiry

Parents or guardians are responsible for monitoring remaining sessions and package expiry. Renewal should be completed before all sessions are used or the package expires to avoid interruption to booking access.
Normal unused sessions expire with the package and are not automatically extended because the student did not book enough sessions before expiry. Only approved exceptions under these terms may receive an extension or replacement arrangement.

15 Transfer & refund policy

Packages and session credits are registered to the individual student and are non-transferable unless expressly approved by Management. Fees paid are generally non-refundable once the package has commenced, except where Management approves an exceptional case or where Maxxima is unable to provide the purchased service and no reasonable alternative can be offered.
Completed sessions, no-shows and sessions deducted under the late-cancellation policy are not refundable.

16 Health, injury & participation

Parents or guardians are responsible for ensuring that the student is reasonably fit to participate. Any known injury, medical condition, allergy or physical limitation that may affect participation should be disclosed to Admin or the coach before training where relevant.
Badminton and physical training involve ordinary sporting risks, including falls, collisions, strains and other injuries. Students must follow coaching and safety instructions. A coach may modify or stop participation where continuing is considered unsafe. Nothing in these terms is intended to exclude responsibility that cannot lawfully be excluded.

17 Student conduct

Students are expected to respect coaches, other players, venue staff, equipment and facilities; follow coaching and safety instructions; and behave in a manner that does not disrupt the group. Serious or repeated misconduct, bullying, unsafe behaviour or deliberate damage may result in warnings, suspension or termination of participation, subject to Management review.

18 Parent & guardian conduct

Parents or guardians are expected to communicate respectfully with coaches, Admin, students and other parents. Unless invited by the coach, parents should avoid entering the court, interrupting drills, giving competing instructions during training or otherwise disrupting the session.
Abusive, threatening, harassing or seriously disruptive behaviour may result in restrictions, suspension or termination of enrolment. Where reasonably possible, Management will communicate concerns before taking such action, except where immediate action is necessary for safety or serious misconduct.

19 Personal belongings

Students are responsible for their rackets, shoes, bags, phones, water bottles and other personal belongings. Maxxima cannot guarantee the security of unattended personal items at third-party training venues.

20 Public holidays, fifth weekends & breaks

Training may be adjusted or not operate on selected public holidays, designated fifth weekends, academy events, tournaments, scheduled academy breaks or venue closure dates. Relevant changes will be communicated through Maxxima's official channels.

21 Schedule, venue & operational adjustments

Maxxima may make reasonable changes to training time, court, venue, coach assignment, player grouping or session arrangements where operationally necessary. Significant changes will be communicated as early as reasonably practicable. A reasonable operational change does not automatically entitle a student to a refund or replacement unless the session itself is cancelled or Management determines otherwise.

22 Official communication

Official information may be communicated through Maxxima WhatsApp Groups, Maxxima Admin, the designated booking system or other official Maxxima channels. Parents or guardians are responsible for checking participant lists, announcements and schedule updates and keeping their contact details current.
For booking discrepancies, cancellations, emergencies, payment matters or administrative requests, contact Maxxima Admin rather than relying solely on communication with a coach.

23 Media, photo & video consent

Participation in training does not automatically constitute marketing consent. Where Maxxima wishes to use an identifiable student's photo or video for promotional or marketing purposes, consent should be managed separately through the academy's applicable media-consent process.
Operational recording for safety, assessment or coaching purposes, where applicable, will be handled in accordance with academy procedures.

24 Suspension & termination

Maxxima may suspend or terminate enrolment for serious safety issues, repeated misconduct, abusive behaviour, repeated breach of academy rules, unpaid fees or other substantial operational concerns. Where appropriate, Management will communicate the concern and provide a reasonable opportunity for resolution before termination, except where immediate action is warranted for safety or serious misconduct.
Any remaining package balance following termination will be handled according to the circumstances and applicable refund terms, subject to Management review.

25 Acceptance & updates

By registering a student, purchasing a package, making a booking or allowing the student to participate in Maxxima Badminton Academy training, the parent or guardian acknowledges and agrees to these terms. Online Foundation requests include an explicit acceptance before submission.
Maxxima may reasonably update these terms when required for programme, safety or operational purposes. Material changes affecting existing students will be communicated through an official Maxxima channel.

Version: foundation-2026-10-21. Keep this version link with your booking record. Future material changes will be communicated through an official Maxxima channel.
